

# APRIL 2020 NEWSLETTER

## BASEBALL & SOFTBALL

Enterprise Parks and Recreation is committed to having a baseball/softball season. Youth and adult sports are incredibly important. The health, safety, and well-being of our citizens is also important. It is with our highest hopes that we will be able to start in the month of May. COVID-19 remains a serious and fluid situation and the dates are subject to change depending on the Alabama Department of Public Health and the CDC regulations. As of now, all EPRD activities and programs are suspended.

We are anxious to play ball! Once games begin, we will post plenty of pictures on our Facebook page! Thank you to all of our volunteer coaches for your continued dedication to our players and for making our program great!

We are excited to announce we will proudly be hosting the Dixie Softball State Tournament this year.

## NO RESERVATIONS UNTIL FURTHER NOTICE

We are not currently offering reservations of any facilities including our park pavilions. The surfaces of the pavilions cannot be sanitized at a frequency possible to be effective.

Per Governor Ivey's statewide order, gatherings of more than 10 people will not be allowed nor will any gatherings that cannot maintain six-foot distance between persons. If EPRD staff notices these orders not being followed, participants will be asked to leave the facilities.

## PLAYGROUNDS, SPORTS COURTS & FIELDS CLOSED

Parks will remain open to allow citizens to maintain a healthy lifestyle. Please practice the safety measures set forth by the Alabama Department of Public Health, the Governor's Office and the Centers for Disease Control while visiting. Per Governor Ivey's statewide order, gatherings of more than 10 people will not be allowed nor will any gatherings that cannot maintain six-foot distance between persons. Additionally, sports that involve interaction with another person of closer than 6 feet and activities that require use of shared sporting equipment are prohibited. The volleyball court, tennis court, basketball court, pickleball court, skate park, soccer fields, baseball fields, batting cages, and softball fields are closed to the public at this time.

The statewide order also prohibits activities on public playground equipment. All city park playgrounds are closed to the public at this time. The surfaces of playground equipment cannot be sanitized at a frequency possible to be effective. Playgrounds closed include Johnny Henderson Family Park, Gibson, Peavy, Westside and Donaldson Park. The Splash Pad at Johnny Henderson Family Park will remain closed until further notice.

We are so grateful for the patience of our citizens while we try our best to keep everyone safe! While you're visiting the park, remember to play safe! Here are some tips!

- Practice social distancing of at least 6ft
- Cover your mouth & nose with a tissue when coughing or sneezing
- Wash your hands often with soap & water for at least 20 seconds
- Use an alcohol-based hand sanitizer that contains at least 60% alcohol if soap is not available
- Don't share food, water bottles, utensils, or cups
- Stay home if you have a fever (100.4 degrees F), a cough, shortness of breath, or are otherwise unwell

## CHILDREN'S FESTIVAL IN THE PARK- CANCELLED

The Enterprise Parks and Recreation Department has made the difficult decision to cancel Children's Festival in the Park this year. Every year, we look forward to gathering and celebrating with all of the families of Enterprise and surrounding areas. However, the safety and well-being of our citizens is too important to risk in these uncertain times. We look forward to coming together next year for Children's Festival in the Park on May 1st, 2021.
