

JUNE 2020 NEWSLETTER

BASEBALL & SOFTBALL

Games will begin on Monday, June 15th! Once games begin, we will post plenty of pictures on our Facebook page! Thank you to all of our volunteer coaches for your continued dedication to our players and for making our program great!

In accordance with the Governor's order and CDC guidelines, we will be enforcing the following rules:

a. Social distancing.

- Players, coaches, officials, and spectators shall not congregate within 6 feet of a person from another household except to the extent necessary—and only to the extent necessary—for players, coaches, and officials to directly participate in the athletic activity.
- Players, coaches, officials, and spectators shall refrain from high fives, handshakes, and other physical contact except to the extent necessary—and only to the extent necessary—for players, coaches, and officials to directly participate in the athletic activity.

b. Facial coverings.

- Players, coaches, and officials shall wear a mask or other facial covering that covers his or her nostrils and mouth at all times except when a player or official is directly participating in the athletic activity. The Enterprise Parks and Recreation Department interprets this to mean that if a player, coach or official is on the field/court, etc. directly participating in the athletic activities, no mask is required.

c. Sanitation.

- Players, coaches, and officials shall not share water coolers, drinking stations, water bottles, cups, or other drinking devices. Organizers of athletic activities shall take reasonable steps, where practicable, to regularly disinfect frequently used items and surfaces. The Enterprise Parks and Recreation Department interprets this to mean that if athletic practice activities occur, the head or lead coach will be responsible to take the aforesaid steps. For games, the Parks and Recreation Department will have sanitizer stations for use.
