

Enterprise Parks and Recreation 2022 Sponsorship Benefits Guide

City of Enterprise
Parks and Recreation Department
P.O. Box 311000
Enterprise, AL 36331

Dear Valued Community Member:

January 3, 2022

Parks and Recreation Departments are generally the core of any community and that is especially true in our city of Enterprise! We strive to bring the community together year-round with free or low-cost events, youth and adult sports, programs for those young and young-at-heart, and safe, interactive community parks. Now more than ever, people are turning towards Parks and Recreation to provide affordable events, programs, and sports for their communities. None of what we do would be possible without the support and partnership of local businesses and organizations.

We at Parks and Recreation have so many things we want to improve upon and bring to Enterprise, but we need your help and support in making that a reality! Sponsorship opportunities will provide excellent exposure for your organization or business and will highlight your value and public image to the community. You will find endless opportunities to reach new customers and give back to your local community. By sponsoring events and programs that benefit the residents, you not only gain increased marketing opportunities, but also an appreciation and positive image from the city of Enterprise residents.

Please take a look through our sponsorship opportunities for more information and opportunities to invest in our community. If you have any questions or would like more information, please contact me at mmontgomery@enterpriseal.gov or (334) 348-2682. Completed sponsorship agreements must be received by Friday, February 4, 2022.

Sincerely,

Mariah Montgomery

OUR MISSION

Our mission is to provide a variety of recreational programs, facilities and park areas that will enhance the quality of life for all citizens in our community.

The City of Enterprise is a diversified community known for our traditional southern charm and progress, hence the nickname, the City of Progress. The unique blend of tradition and progress has made Enterprise an ideal place to live, shop, visit, retire, and raise a family. Enterprise is ranked as one of the “best places to live” and “business friendly” among many nationally ranked publications.

The Parks and Recreation Department is dedicated to providing diverse recreational opportunities, such as health and wellness programs for the community, activities for seniors, and youth programs for children ages 3-18. We offer numerous programs in the areas of sports, rentals, special events, and activities. Sponsors play an important role in these special events, allowing us to provide top-notch programming at little to no cost to our community members.

Our Sponsorship Program provides unique and rewarding opportunities for local businesses to partner with us to provide community events throughout the year.

We appreciate your support and look forward to partnering with you!

Why partner with Enterprise Parks and Recreation?
