# Meet the Team!

Each month we will be introducing you to our team members that make day to day activities happen.

## **EVERETTE MARSHALL, GYM SUPERVISOR**

Mr. Everette Marshall joined Enterprise Parks and Recreation in August of 2002 where he worked as a score keeper part-time. As Gym Supervisor, Everette is responsible for maintaining safe and proper use of facilities, as well as helping plan, organize, and supervise recreational activities. Everette's favorite part of his job is the opportunity to be an active participant in the growth of young athletes into well rounded individuals. We are honored to have Everette on our team and we are grateful for his dedication to not only EPRD but the future of the young athletes he has an impact on.
