Meet the Team!

Each month we will be introducing you to our team members that make day to day activities happen.

MELISSA ELLISOR, ADMINISTRATIVE ASSISTANT

Melissa has been with Enterprise Parks & Recreation since November 2014. She is the glue that holds our office together. Melissa handles all payroll, appointment scheduling, staff training, and assists with all EPRD events. Her favorite part of her job is the daily interaction with her co-workers and meeting, as well as assisting, the citizens of Enterprise. Her favorite memory while working for Enterprise Parks & Recreation is hosting our State Tournaments. We appreciate her dedication and positivity. If you see Melissa in the office, make sure to say HI!
