# THANK YOU SPONSORS!

# Thank you, Spooky Sponsors!

The Enterprise Parks and Recreation Department introduced an entirely new type of event for Halloween this year: Spooky in the City. With the global pandemic putting constraints on all opportunities for celebration, we found a creative solution allowing participants to safely receive Halloween goodies and to play a virtual game from their personal vehicles.

The event was incredibly successful with nearly 300 teams registered and over 1,000 participants. We are so happy we were able to provide a social-distance friendly event for the community and would not have been able to do it without our wonderful sponsors!

Thank you, Escape Enterprise, for the incredible game design that made this event one-of-a-kind.

Thank you to our yearly sponsors: McDonalds, Mitchell Automotive Group, Southeast Health, Century 21 Regency Realty, Enterprise Pediatric Clinic, TW Orthodontics, and Zaxby's. Your ongoing support plays an important role in providing free programs to our community.

Thank you to Encompass Health, Main Street Enterprise, and The Link Volleyball Academy for sponsoring individual Spooky Stops for this event. Your participation in this event helped bring magic and excitement to children in a unique and safe way.

Thank you to all of the businesses listed below who generously donated to the Spooky in the City Grand Prize and Runner Up Prize. We are so thankful to have such a strong community that is so willing to contribute to public events.
