SPOOKY IN THE CITY

Spooky in the City is a social-distance friendly version of our annual Spooky in the Park celebration! Spooky in the City will consist of a virtual game around the city that can be done from the safety and comfort of your car! Get in the spooky spirit, put on your favorite costume, and gather your family for a Halloween-themed game on the go and collect free goodies from each Spooky Stop!

Registered teams who stop at all 10 Spooky Stops and win the virtual game will be provided a link to enter to win the Spooky in the City Grand Prize worth over \$1200 and the Spooky in the City Runner Up Prize worth over \$600! Both prizes consist of items donated by local businesses.

Don't miss out! Registration ends at 5 PM on Monday, October 26th!

CHEERLEADING

EPRD's Cheerleading Clinic was a success! Our participants had so much fun spending a morning learning different cheers and routines. They did a great job cheering alongside the Coppinville Jr. High School cheerleaders for a special halftime performance at the Coppinville vs. Dauphin game.

Thank you, CJHS cheerleading team, for teaching our participants how to have spirit! We hope our cheerleaders keep the spirit throughout football season!
